

FROM THE COURSE ADMINISTRATOR

Thank you for requesting details of the Bible Correspondence Course.

Since being introduced in New Zealand in 1989, this course has become extremely popular. It was re-designed in August 1995 and in May 1997 a further revision took place to accommodate The Spirit-Filled Believer's Handbook (now called Foundations for Righteous Living), which is the required textbook.

For maximum benefit we recommend that you aim to complete the course within two - three years. To achieve this you will need to set aside 1 - 2 hours per week.

If you have any questions, please don't hesitate to contact me.

I look forward to receiving your registration form.
